## **Rep. Kunse Endorses Chris Long for Grassroots Vice Chair**

Dear Members of the Michigan Republican Party,

I am writing to offer my full support for Chris Long's candidacy for the position of Grassroots Vice Chair of the Michigan Republican Party. Chris is a dependable, hardworking, and innovative leader who has proven time and again that he possesses the skills and passion needed to unite and energize the grassroots of our party.

I have had the opportunity to witness Chris' leadership firsthand during the grassroots opposition to the CCP Gotion project in Mecosta County. Chris emerged as both a prominent voice and a key figure in organizing efforts, educating the community, and mobilizing individuals to defend their shared values. His exceptional ability to unite and inspire people from all walks of life highlights his natural talent for grassroots leadership and his steadfast dedication to the principles we cherish.

Chris' ingenuity and tenacity make him uniquely suited for this role. He doesn't simply identify problems; he seeks solutions, builds consensus, and follows through with tireless dedication. His work in Mecosta County is a testament to his ability to bring people together for a common cause, and I have no doubt that he will bring the same energy and effectiveness to the Michigan Republican Party.

I believe Chris Long represents the very best of what grassroots leadership should be: dependable, results-driven, and deeply committed to the voices of everyday Michiganders. I wholeheartedly encourage you to support Chris Long as the next Grassroots Vice Chair.

Thank you for your consideration.
